To Our Valued Customers:

Over the past couple of months, the team at Desco has continued to be there when you needed us as we navigated through these crazy and unprecedented times. While we needed to change the way in which we delivered our services to you, we made the necessary changes to keep our employees safe while getting you the products you needed, when you needed them. It has certainly been trying times, and I'm very proud of our team and the way they stepped up when they were called upon.

As we begin to emerge from that "new normal", **we are pleased to announce that all Desco pick-up counters and Water Closet showrooms will be open to customer traffic beginning Monday, June 1. This includes Saturday openings as well which will begin on Saturday, June 6.** The look of our counters and showrooms have changed as we have spent significant time putting the necessary measures in place to protect both our employees and our customers. Distancing measures, plexiglass shields, sanitization facilities and the use of PPE products have been implemented in all locations. We appreciate your support in following the guidelines that have been posted. We look forward to seeing you all again!

A reminder as well that you can continue to call your orders in ahead of time and we'll have them picked and ready to go for curbside pick-up. Orders can also be placed through the web or by texting your local branch as well. Whatever method you choose to use, we're ready to look after your needs.

Thank you for continuing to support our company. Our entire team appreciates it.

Be safe,

Jon Leeson  
Vice President and General Manager
